

REQUIREMENTS	FEATURES & BENEFITS
<p>Grader ①</p> <p>Attachment Control Kit ②</p> <p>Grader: Loader must be equipped with an Attachment Control Kit.</p>	<ul style="list-style-type: none"> • Blade has a reversible cutting edge that is also easily replaceable. • Bob-Tach™ mounted. • Blade manually adjusts sideways up to 30 cm either way. • Optional laser control package for precise grade control in flatwork contracting. • Attachment control kit must be installed on Bobcat® loader to operate attachment. • 3 cylinders for precise positioning of the blade.

Description: Turn your Bobcat® loader into a high-performance grading machine. The six-way hydraulically-controlled blade is easy to operate with switches located on steering levers. Optional laser control system offers more precise control and saves concrete, time and labor.
